WHO IS RSAC?

*RSAC is a “for life” organisation where people can move from activity to activity as their interests and circumstances change. Many people have been members for over 25-30 years, including participants, volunteers and family members.
RSAC welcomes new members in any capacity.*

RSAC is overseen by a BOARD of MANAGEMENT that is made up of a President and board members that include participant representatives, family members and external members.

BACKGROUND

RSAC is a community based not-for-profit organisation whose lifestyle programs provide recreational, social and sporting activities for people with disability in the local community. It is a registered charity that has served the community since 1987. Over 500 people of all ages with disability participate in RSAC programs on a regular basis. Up to 1,000 people with disability will be involved in an RSAC program during a year.

Many of our members are financially disadvantaged with low incomes and limited resources. RSAC receives no regular funding so most of the financial needs are met by participant contribution, NDIS fees, fundraising and one-off grants. Most RSAC services and activities are conducted by volunteers including parents, family members, carers and community supporters.

PATRONS

RSAC is honoured to have distinguished community representatives as patrons who support RSAC activities and ventures.

STAFF

The day-to-day management of RSAC is undertaken by its Executive Officer, Program and Projects Coordinator and Administration Officer.

COACHES

Coaches include staff, external contractors and volunteers, who support the needs and requirements of participants. All work with the same aim to provide excellent services to their program participants.

VOLUNTEERS

Most RSAC activities from coaching, team management, office assistance, fundraising projects to holidays and program support rely heavily on volunteers. Around 60 volunteers make up the workforce including parents, carers, siblings, community members and supporters from various backgrounds. Some have volunteered for over 30 years and most have a weekly activity they support. More volunteers are always needed and welcome. RSAC's diversity of activities relies on volunteer support.

PROGRAMS

RSAC provides a variety of programs to appeal to those who want a change from time to time or who wish to do more than one program regularly (many of our members do several programs every week). Members also enjoy social and recreational activities, getaways and travelling. We do not have any restrictions on the age of our members, but some programs meet the needs of specific age groups.

AIMS

RSAC designs its programs to meet the needs of people living with disability. The outcomes we aim to achieve through our programs include:

- enhanced social interaction and social skills,
- meeting people with similar interests,
- improved communication skills including active listening skills,
- learning to follow instructions and acquiring skills through coaching,
- learning to work as part of a team and supporting team-mates on and off the field,
- developing an understanding of empathy for others,
- meeting people outside of normal circle of influence,
- opportunity to “do your own thing” away from family and usual environment,
- building and maintaining friendships and having fun,
- improved self-confidence and self-esteem,
- improved fitness through exercise, improved hand/eye coordination,
- community and family interaction,
- developed support and networks for carers.

NDIS

RSAC is registered as a Provider to support participation by members. The state-based registration has now been replaced by a national system under the NDIS Quality and Safeguards Commission. RSAC is registered nationally. Requirements include regular audits and reporting rules and are required to:

- comply with the NDIS Practice Standards
- comply with the NDIS Code of Conduct and support their workers to meet its requirements
- have an in-house complaints management system and notify the NDIS Commission of reportable incidents
- ensure all workers are screened through the NDIS Worker Screening process.

2 COOKING CAMP BERRIMA

PRESIDENT'S REPORT

Wow, what a year it was. As most people would be aware Covid-19 has reared its ugly head once more. Needless to say, the first half of this year were encouraging with all programmes finally returning and our participation numbers gradually rebuilding to what they were prior to the Sydney Lockdown. Members could once again start to enjoy Club activities, but most importantly the company of their friends, both new and old. Covid-19 did impact our programmes, and as we came out of the first lockdown, it was good to see restart gradually. My personal thanks go out to all our Managers, Coaches and Volunteers for their efforts in restarting these. It is always good to see RSAC's ability to deliver quality programmes that benefit its members and their families.

At the time of writing this report we are well into the Second Greater Sydney Lockdown. So hopefully by the time you read this report, the worst will be behind us and our programmes and participants can/will have return to doing their own thing once again or won't be far off.

Special thanks to our Major Sponsor, Bankstown Sports Club for their ongoing provision of our clubroom facilities and office space in Bankstown. They help in so many ways and it is appreciated by our Board and the clubs' participants.

Congratulations to Bob Beer for being awarded Life Membership at last year's Annual General Meeting. It was well deserved for all his efforts over the years. Well done Bob!

It would be remiss of me if I didn't take the time to thank all members of our Board of Management for their efforts over the last twelve (12) months. They give of their time and life experience to assist in running this club. They do so with no reward other than knowing that their efforts provide a platform for the ongoing development of our club. My thanks to Deborah Locke, who for some of the year held the position of Secretary, and we were sorry to see that circumstances prevented her from continuing during the year. I would also like to thank both Lee Boueri and George Zakhia who are stepping down for their contributions. All three members will be missed.

A special vote of thanks to all of our Office and Administration support. Whether employee, contactor, volunteer or helper, your assistance either working from home or in the office is greatly appreciated as you are the ones who responsibility it has been to keep our everchanging systems working. Without your support I am sure we would have been in dire straits.

The importance of financial assistance from our supporters is detailed further in this report and I thank everyone of them both small and large for their contributions. As they say every dollar helps.

We are all in this most challenging time together and as we did after the lockdown last year we will quickly bounce back. I look forward to another year of RSAC activities, lockdowns permitting, both online via Zoom and at our usual programmes.

In the interim, please remain positive and stay safe. I do hope to see you all soon.

Paul Pearson
President

EXECUTIVE OFFICER'S REPORT

This year has seen a very small team manage the mighty task of holding the organization and its activities together through such challenging times.

- Many have played a part including the RSAC Board members, all our wonderful coaches, managers and support staff who have shut down and returned whenever possible.
- But the most significant group is the very close and supportive administration team including staff, contractors and volunteers that have allowed RSAC to keep everything in order through all of the ups and downs. This has included Paul Pearson, Tina Acosta, Annerose DeJong, Gina Walsh, Lorelle Byers, Georgia Zacharia and myself taking on as many duties as were needed, coming into the office regularly, when permitted, and ensuring the best possible service to our members. A small effective and cherished team doing an awesome job for RSAC. Thank you.
- In navigating the requirements of NDIS registration, the NDIS Quality and Safeguards Commission and NDIS audits RSAC is very much in debt to Bronwen Elliott for her ongoing efforts and support to our team. Her input cannot be overestimated as she assists RSAC to move forward in its documentation and compliance processes. As we establish systems that can stand alone and transition to future proof RSAC Bronwen's support is invaluable. Thank you Bronwen.
- Our participants have been resilient and without complaint just accommodating whatever changes and challenges have been placed in their way. They certainly have missed their regular routines and programs and we have seen great attendances at the times permitted. The two disco and dinner nights we have managed to run were both well attended and lots of fun. Zoom classes have helped some and we very much thank our presenters who have kept these going. Thank you.

Holidays and camps have had a surge over the past year, even those that have had to be rescheduled. It has given the RSAC community a chance to socialize and catch up and spend respite time away from home challenges. With no overseas travel for the time being it is envisaged that these will continue to be a high priority for many and we are working to meet that need and provide initiatives that support our families.

For the year ahead the administration team and Board are very much focussed on developing strategies and resources, documentation and evidence-based systems that can take RSAC forward for its future.

Special thanks to Susanna Macri from Strathfield Superbowl who stepped in when our manager could not be there to ensure that our Wednesday bowlers could still attend. Thanks Susanna.

Mount Lewis Bowling Club also again provided magnificent support this year with both venue when permitted and ClubGrant support for our holidays.

We also always acknowledge and thank the Bankstown Sports Club for their ongoing support of our premises and commitment to RSAC, without these I am not sure how well we would be doing.

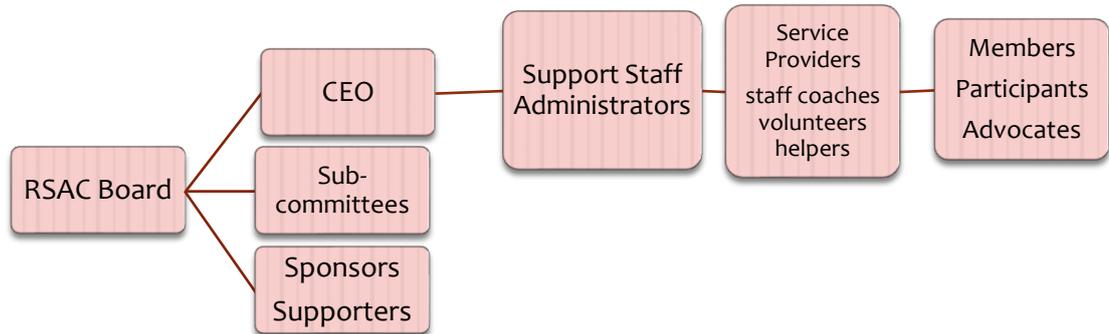

To the many WORKERS:
staff, volunteers, coaches and supporters:
your efforts MAKE A DIFFERENCE to RSAC and
the lives of the participants you work for.
Thank you and take care.

Regards,
Jenny Bombardieri OAM

SPONSORS AND SUPPORTERS

The importance of support large and small that many organisations, clubs, councils and individuals both in cash and kind cannot be overstated. Zoom Online Classes:

During the COVID-19 pandemic RSAC participants have also able to participate in several online programs such as Famous Dance Routines, E-Hang, Hip Hop, Drama and Zumba. This enabled them to make new friends while maintaining physical fitness from their very own home.

Day Outings

RSAC organises several day outings during the January school holidays and from time-to-time where participants and family can spend time with one another while experiencing new places, activities and meeting new people.

HOLIDAYS – CAMPS – GETWAYS

Due to an increase of interest in disability inclusive holidays and outings, RSAC has developed and offered a range of options in order to meet specific needs. Other options may be on offer from time to time. NDIS funded participants can usually use their funds for these camps, if they meet their goals.

Holidays provide a unique way for participants to work towards achieving personal goals, while experiencing time with friends, experiencing other places, trying new activities and self-challenging pursuits and development and extend social networks.

Goals of personal development, social skills development, independent living, learning new skills, developing daily living skills, engaging with the community and improving health and fitness, budgeting and money management, decision making, cooperation with a group and capacity building form part of every holiday.

Travellers who require one to one support or have personal care needs, need to be accompanied by either their own support person or a paid support worker who can provide the additional care and support they require. All holidays are open for family members who may wish to attend.

Holidays usually fall into the following categories:

FAMILY GETAWAYS: For families including a person with disability to share time and have a great inclusive holiday time.

CAMPS AND HOLIDAYS FOR ALL ABILITIES: Group holidays that are more supported and inclusive for those less confident or requiring higher support and fun for all.

ROAD TRIPS: A travelling holiday where participants get to experience lots of places, usually travelling by minibus.

OVERSEAS AND INTERSTATE HOLIDAYS: For more experienced and independent travellers. Usually 2 weeks or more. Travellers are involved in selecting holidays and activities.

KIDS AND CARERS CAMPS: From time to time these camps are run where funding and support is available.

CARERS GETAWAYS: Sometimes the carers just want a chance to get away and share with others with similar experiences. RSAC acquires grants to run these at an affordable rate for carers and provides support and opportunities for networking.

SOCIAL & PERSONAL DEVELOPMENT PROGRAMS

Social Outing Groups

Regular outings are organised by these groups, with one support coordinator per outing. Participants must be over 18 and able to cooperate in a team environment. Social, community engagement, money handling, travel skills, decision making and cooperation skills are built into these programs. Groups meet at a designated point and may meet on return or travel home independently.

INDEPENDENT LIVING SKILLS

All RSAC activities aim to support the personal development and independence of participants, from regular sports sessions with routines and home skills to holidays and social clubs with their community participation.

The following programs are more specifically aimed at developing living skills.

Cooking Classes:

Saturday Monthly cooking classes this year have been supplemented with Monday afternoon classes in response to increased requests, with Saturday classes at maximum numbers. The Monday classes are now to be conducted weekly whenever possible, to a smaller number of participant and it will be more inclusive to beginners.

Both programs include planning, food preparation, healthy eating, decision-making, budgeting and hygiene. This group sometimes plans additional activities are such as outings to markets and food events.

The classes include planning, preparation, clean up, and eating together.

Usually recipes are available to take away so participants may try again at home.

Of course, many RSAC programs include elements of developing independence and living skills as part of their activities.

SENIOR BASKETBALL GROUP REPORT 2020-2021

It's been a challenging year. Never in all our over 20 years of coaching & managing this great group have we encountered a long absence of half the year from March to October 2020 of training due to COVID lockdowns/restrictions.

Our group's attendances have been consistently high with 5 namely Beau LAWSON, Victor LI, Bryan LIM, Elizabeth TANNOUS & David SPARSIS never missed a training session. Congratulations to them all.

Special thanks to Assistant Coaches Peter SPARSIS & Jacky LAM who really helped in contributing to the athletes' improvement in their skills, discipline & enjoyment. We have a number of athletes that are progressing so well that it wouldn't surprise us if they follow both Beau LAWSON & Hannah SANDEMAN footsteps in representing either NSW and or AUSTRALIA at the National or World Special Olympics in the near future.

Our appreciation to Riverwood Community for ongoing use of their basketball court.

Special thanks also go to Bronwyn ELLIOTT for her contribution in coordinating the regional Special Olympics events. Thanks also to Sandra LAWSON for filling in for our Manager Anne SPARSIS in her absence. Last but not least thanks to all the parents & carers for bringing the athletes to training & taking them home.

We get great satisfaction in watching our athletes progress to their full potential & enjoying themselves.

TENNIS REPORT

Like everything our Tennis programs were unable to proceed in lockdown, but we were able to resume earlier than many activities because we run outside. We used cones to help participants practice social distancing, and it was great how well they were able to adjust to the changes needed to run our programs safely.

We have been gradually recruiting more participants for our teenage beginners program at 11am. It has been great to see their enthusiasm and developing skills. Thank you to Min and Helen for their help as managers of this program.

Our 9am program resumed with excellent attendance after lockdown, with participants enthusiastic to reconnect and continue to develop their skills. They are very committed to regular attendance, even when the weather might keep others at home. Hannah and Tim were able to attend a Special Olympics Tennis competition in early 2021, and brought back first place ribbons for their doubles division. Thank you to Vanessa Fone and Norina Fincato for help with this program.

Our 10am program took a little longer for participants to return, but we are now running to capacity, with some new participants joining us this year. Participants continue to develop new skills, and enjoy seeing friends each week.

We celebrated the end of the year with a socially distanced BBQ for 9 and 10am, and some treats at 11am. Sadly our coach Christelle Sadez moved on at the end of May. We were delighted to welcome back Pat Ryrnstadt who has coached for us previously, and arrived back with lots of energy. Thanks also to David Deep from Indeep Tennis for his ongoing support of our coaches and program.

TREASURER'S REPORT 2020/2021

Our programs had to evolve with immediate changes in order to operate under mandatory restrictions imposed by the NSW Government, yet despite all the uncertainties and with lots of new ideas, I am pleased to report that RSAC managed to achieve results that exceed pre-covid levels, particularly during the second half of the financial year. This has resulted in recording a Net Operating Profit of \$165,684 for the year ending 30th June 2021. Total Revenue was \$944,956 and total Expenditure was \$779,272.

Most income streams have maintained their level except for our increasingly popular Holiday Programs, where revenue has more than doubled in comparison to the previous year. Basketball and Tenpin Bowling continue to be our most popular sports program with 63% of our sports revenue coming from these two programs alone.

We have to thank the generous donations that continue to arrive year on year, and are critical for our existence. The Jobkeeper initiative and other Government Support carried RSAC and staff throughout the difficult first half of the year. Funds received guaranteed staff income and enabled RSAC to meet ongoing impact of expenses, which have increased only marginally and are relative to our core activities.

The main points of our Income Statement are as follows:

INCOME	FY 2020/21	FY 2019/20	↑INCREASE / ↓DECREASE
Sports Fees	\$105,294	\$104,704	↑ \$590 (0.56%)
Membership Fees	\$12,690	\$13,319	↓ \$629 (4.95%)
Outreach Arts Social Living Skills	\$133,989	\$72,284	↑ \$61,705 (46.05%)
Travel, Accom & Special Events	\$452,659	\$202,787	↑ \$249,872 (55.20%)
Fundraising	\$3,077	\$14,678	↓ \$11,601 (377.02%)
Donations and Grants	\$67,310	\$101,157	↓ \$33,847 (50.29%)
Jobkeeper and COVID Support	\$107,022	\$41,000	↑ \$66,022 (61.69%)
EXPENSES	FY 2020/21	FY 2019/20	↑INCREASE / ↓DECREASE
Special Events	\$56,761	\$27,023	↑ \$29,738 (52.39%)
Sports	\$55,852	\$32,589	↑ \$23,263 (41.65%)
Social and Arts	\$58,934	\$75,406	↓ \$16,472 (27.95%)
Transport and Accommodation	\$229,351	\$118,404	↑ \$110,947 (48.37%)
RSAC Wages & Employee Exp.	\$335,439	\$253,822	↑ \$81,617 (24.33%)

Our balance sheet has seen a substantial improvement from the previous year where our Equity has almost doubled to \$346,558. While our overall assets have increased by 36%, our liabilities have decreased by 11%.

We have minimal debt and approx. \$300,000 in the bank, which includes \$211,532 in term deposits. While our challenges continue on a daily basis as we try to discover the best way to carry-out our programs, RSAC is in a relatively strong position to withstand these challenges.

The accounts have been audited by Mr Thomas McMurray, who has generously donated his remuneration back to RSAC.

This will be my last year as Treasurer and will be handing the over the reins at the AGM. I will, however, continue contributing as coach of our Indoor Soccer program. I would like to thank Paul Pearson, Jenny Bombardieri and the board for the opportunity and ongoing support. Your dedication and contribution at the club ensures we can continue to deliver our lifestyle programs and provide social connections in our community. I would also like thank the many volunteers who donate their time as without them we would have no club.
